Character Camp has over 40 adult personnel who are background checked and child protection certified, the great majority of whom are CPR-AED certified. In 31 years, we have never had a complaint of neglect, abuse or injury. That's because we care for children as if they are our own. Our pledge to parents will always be that "your child is as safe with us as they are with you". Character Camp is a child's best ally and a parent's best friend.
