Dear Supporter:

Since its inception in 1986, Character Camp has remained true to its mission of providing youth intervention services, primarily to inner city public school students in the Greater Houston and Southeast regions of Texas. We are a nationally acclaimed organization.

To continue serving our community, the board of directors will host a charity social event – The Character Camp ‘Roaring Twenties’ Gala. All proceeds will benefit our organization as we aim to provide intervention services such as character education and mentorship programs, summer and winter youth leadership retreats, academic tutoring and life skills education to those who need it most. We would greatly appreciate your financial support as well as your generosity in donating items of value to be used as part of our fundraising auction.

We are a 501(c) (3) non-profit organization, registered in the state of Texas. It has been a great privilege to partner with local schools, youth agencies and Corporate America to make a lasting and far-reaching impact on families, educational institutions, communities and employers. Our innovative youth camps, mentoring programs, on-campus projects and community events create win-win scenarios for everyone involved.

The gala will be hosted on Saturday, April 22, 2017 at 12 noon at Brady’s Landing in Houston. Funds raised from this fourth annual benefit will go toward continuing and expanding the services provided by Character Camp, including one of our newest initiatives called the \$1 Million Health Campaign.

Your tax-deductible gift will be greatly appreciated. I also would be glad to provide additional information to you regarding our ‘Roaring Twenties’ gala.

Sincerely,

Arthur Davidson
