

I Have Special Wisdom!

A philosopher by the name of Socrates, who lived long ago said, “*The only true wisdom is in knowing that you know nothing.*” Wisdom is the ability to know what is right and wrong. It is the ability to make good decisions. It is the ability to be successful, even when success is not easy. Wisdom teaches us how to get along with people and how to have good relationships. It teaches us how to be happy and how to be safe. Wisdom is not something that we are born with – it has to be learned very quickly, or our own foolishness will cause us to get in trouble and make serious mistakes. In the wonderful Book of Proverbs, God tells us that wisdom is more precious than gold – it will make our lives sweet! In James 1:5, God tells us to pray to Him for wisdom! The more we obey God and study His Word, the wiser we will become. His best blessings are for those who are wise. How wise are you? Do you pray for wisdom every day?

Thought: God wants His children to be wise so they can be blessed. Read God’s Word and pray for wisdom every day and you will be happy and successful!
